## **FOR IMMEDIATE RELEASE**

### **Canadian military most trusted institution**

#### **Supreme Court, Auditor General follow**

TORONTO MAY 26<sup>th</sup>, 2014 - In a random sampling of public opinion taken by the Forum Poll™ among 1692 Canadians 18 years of age and older, close to one half say they have "a great deal of trust" in the Canadian military (44%), followed by about one third who say this of the Supreme Court (39%) and the Auditor General (35%). After these, about one quarter have strong trust in the RCMP (26%) and the Chief Electoral Officer (24%).

Institutions which do not fare so well include the Prime Minister's Office (10%), the respondents' provincial government (12%), the Parliamentary Budget Officer (10%) or, especially, parliament (7%) and the senate (6%). The highest trust rating for a provincial government is in Manitoba/Saskatchewan (30%). Even among Conservative voters, the PMO is only given a strong trust rating by just more than one quarter (28%).

The PMO and the senate have the highest negatives ("do not trust at all" - 25% each) followed by the respondent's provincial government (19%). The highest negatives for a provincial government are in BC (25%), followed by Quebec (18%) and Alberta (18%). Distrust of the PMO is highest in Atlantic Canada (33%), Quebec (30%) and BC (29%).

"The military is always held in high esteem in Canada, but it is surprising to see the Auditor General's office has created such a high level of trust, largely through the efforts of Sheila Fraser. It is also refreshing to see that our judiciary is also trusted," said Forum Research President, Dr. Lorne Bozinoff.

Lorne Bozinoff, Ph.D. is the president and founder of Forum Research. He can be reached at [lbozinoff@forumresearch.com](mailto:lbozinoff@forumresearch.com) or at (416) 960-9603.

**TORONTO****May 26<sup>th</sup>, 2014****Methodology**

The Forum Poll™ was conducted by Forum Research with the results based on an interactive voice response telephone survey of 1694 randomly selected Canadians 18 years of age and older. The poll was conducted on May 22-23<sup>rd</sup>, 2014.

Results based on the total sample are considered accurate +/- 2%, 19 times out of 20. Subsample results will be less accurate. Margins of error for subsample (such as age, gender) results are available at [www.forumresearch.com/samplestim.asp](http://www.forumresearch.com/samplestim.asp)

Where appropriate, the data has been statistically weighted by age, region, and other variables to ensure that the sample reflects the actual population according to the latest Census data.

This research is not necessarily predictive of future outcomes, but rather, captures opinion at one point in time. Forum Research conducted this poll as a public service and to demonstrate our survey research capabilities. Forum houses its poll results in the Data Library of the Department of Political Science at the University of Toronto.

With offices across Canada and around the world, 100% Canadian-owned Forum Research is one of the country's leading survey research firms. This Forum Poll™ and other polls may be found at Forum's poll archive at [www.forumresearch.com/polls.asp](http://www.forumresearch.com/polls.asp)
