FOR IMMEDIATE RELEASE

Racism alive and well in Canada

Anti-Semitism, Islamophobia common among Indépendendistes

TORONTO, SEPTEMBER 18, 2013 - In a random sampling of public opinion taken by the Forum Poll™ among 1527 Canadians 18 years of age and older, as many as 3-in-10 say Muslims have too much influence in their province (30%), and almost one fifth (18%) say Jews have too much influence. Sikhs (21%) and Asians (18%) are also seen to have too much influence in society, followed by Hindus (16%), Blacks are seen to have too much influence by relatively few (7%). In each case, a sizeable minority declines to answer (10% to 14%) and somewhat more don't have an opinion (12% to 18%). Muslims and Jews are especially seen to be too influential in Quebec (43% and 32%, respectively), while Asians are seen to have too much influence in BC (28%), as are Sikhs (26%). By political alignment, Muslims are seen to be too influential especially by federal Conservatives (36%), Bloquistes (53%) and supporters of the PQ (47%). Jews are seen to be too powerful especially by Bloquistes (43%) and Péquistes (40%). This is also the case among supporters of the CAQ (52%) but the sample is small. In most cases, specific examples of racism occur among the older, less wealthy, less educated groups.

Francophones are seen to be too influential by one fifth (21%) and this is especially the case in Ontario (26%), among federal Conservatives (25%), the least educated (27%), Evangelical Christians (28%) and non-Christians (36%). In Quebec, Anglophones are seen to have too much influence by more than a quarter (27%). Allophones are seen to have too much influence in Quebec by about a fifth (19%).

"If the Charter of Quebec Values is an example of the Parti Quebecois practicing dog whistle politics in Quebec, it appears there are plenty of ears tuned to that particular frequency for the message to fall on," said Forum Research President, Dr. Lorne Bozinoff.

Lorne Bozinoff, Ph.D. is the president and founder of Forum Research. He can be reached at lbozinoff@forumresearch.com or at (416) 960-9603.

TORONTO

September 18th, 2013

HIGHLIGHTS:

- As many as 3-in-10 say Muslims have too much influence in their province (30%), and almost one fifth (18%) say Jews have too much influence.
- Francophones are seen to be too influential by one fifth (21%) and this is especially the case in Ontario (26%), among federal Conservatives (25%), the least educated (27%), Evangelical Christians (28%) and non-Christians (36%).
- "If the Charter of Quebec Values is an example of the Parti Quebecois practicing dog whistle politics in Quebec, it appears there are plenty of ears tuned to that particular frequency for the message to fall on" said Forum Research President, Dr. Lorne Bozinoff.

TORONTO**September 18th, 2013****Methodology**

The Forum Poll™ was conducted by Forum Research with the results based on an interactive voice response telephone survey of 1527 randomly selected Canadians 18 years of age and older. The poll was conducted on September 16 – 17, 2013.

Results based on the total sample are considered accurate +/- 3%, 19 times out of 20. Subsample results will be less accurate. Margins of error for subsample (such as age, gender) results are available at www.forumresearch.com/samplestim.asp

Where appropriate, the data has been statistically weighted to ensure that the sample reflects the actual population according to the latest Census data.

This research is not necessarily predictive of future outcomes, but rather, captures opinion at one point in time. Forum Research conducted this poll as a public service and to demonstrate our survey research capabilities.

With offices across Canada and around the world, 100% Canadian-owned Forum Research is one of the country's leading survey research firms. This Forum Poll™ and other polls may be found at Forum's poll archive at www.forumresearch.com/polls.asp
